

Use this simple flowchart to calculate your PiPA fee:

Please note that all fees are exclusive of VAT.

To find out more about BPA membership please contact membership@britishparking.co.uk and for more information about the Park Mark® award please contact safeparking@britishparking.co.uk

If your organisation achieves PiPA, your accreditation will in principle last for two-years and the payment made prior to your site audit will cover the whole two-year period. However, PiPA certificates are only valid for one year. To receive your certificate for the second year, you will need to submit an interim self-assessment form.
