Brainstorm activity: What can the South East Regional Group do?

Member Input – tell us what you think!

Continuous Professional Development opportunities at meetings

CPD is defined as the learning activities professionals engage in to develop and enhance their abilities. Would this be of interest to you if we offered opportunities in regional and country group meetings?

Potential session topics include:

- Project management
- Presentation skills
- Managing remote teams
- Collaborative business relationships
- Managing stakeholders
- Cutting costs but maintaining standards
- Conflict management

Consultations

The Lords Select Committee's inquiry into Driverless Vehicles: Where are we going?
